

1. Grab a small container/box
2. Attach this sign
3. Collect your Terracycle throughout the week
4. Dump it out in the Terracycle bin in the nearest Special Collection station
5. Repeat!
6. Be an expert Terracycler

This is my temporary **AQ**
Terracycle collection box.

AQ Sustainability

AQ Terracycle Program

Salty Snack Bags

e.g. chip bags and trail mix bags

e.g. pens, pencils, highlighters, markers

Tape Dispensers

e.g. plastic tape dispensers and plastic cores

Cheese Packaging

e.g. string cheese, block cheese, individual slice wrappers

Cereal Bags

Drink Pouches (NO Juice Boxes)

TRASH!
THE TRASH CAN
...make AQ zero waste by 2014

Terracycle Tips:

- Wrappers for perishable food items other than cheese, are trash.
- Do not Terracycle low-grade plastic such as plastic wrap and ziplock bags.
- The **only** plastic packaging accepted includes cereal bags and cheese packaging.
 - Meat or produce packaging is not acceptable.
- If it is food, it is compost

Terracycle is a company that takes hard-to-recycle packaging and repurposes it into new products such as backpacks, pencil cases, and clipboards. At AQ we collect specific items, sort, and ship to Terracycle.
