

# Composting

Place compostable items in the **GREEN BIN**

## Paper/Cardboard

**Most paper products are accepted.**

ex: paper plates, paper towels, napkins, coffee filters, wax paper (ie. Jimmy John's wrapper), pizza boxes with grease, tissues, straw wrappers

***No brightly dyed paper products.***

## Compostable Plastic

**Look for the words "PLA" or "Compostable" to identify this special type of plastic made from plants.**

## Food Scraps

**All food types are accepted**

ex: produce, meat, bones, dairy
